

REMARKS

Claims 1-5, as such claims were presented in the parent international application, as filed, are hereby cancelled. Claims 6-8, which recite applicant's unique smoker's pouch in more precise terminology, are presented in lieu thereof.

Claims 6-8 define patentable subject matter over the five documents cited in the international search report. Prompt, and favorable, consideration of the instant Preliminary Amendment is earnestly solicited.

Respectfully submitted,

Martin P. Hoffman
